

2016 SPRING SHOWER OF QUILTS GUIDELINES FOR QUILT SHOW ENTRIES

You must be a member of the Connecticut Piecemakers Guild as of October 15, 2015 to enter an item in this show. Junior entrants do not need to be members.

The registration deadline is February 16, 2016. Each entry must include a registration form, fee and color photo of the item being entered.

If your item is to be judged, it must be dropped by a date and at a location to be determined. Listen at meetings and watch the newsletter for information regarding judged quilts.

Quilts that are to be hung but not judged are to be handed in at the Crowne Plaza on Friday, April 15 between 3:30pm and 6:00pm ONLY.

If you are dropping off your item but someone else will be picking it up, you have to sign a permission form when you drop it off. Those forms will be available at drop off.

All Quilts MUST have a 3-4 inch HANGING SLEEVE SEWN on. If you bring your quilt for judging or to the hotel without a sleeve, it will not be accepted. For detailed information on how to make a sleeve, ask one of our friendly committee members or do a Google search and watch a YouTube video.

You can pick up your items at the Crowne Plaza on Sunday, April 17 between 5-6 pm only. Identification will be required and you must sign a card to say that you received your item(s). If you are picking up for someone else, that person must have already signed a permission form for you to do so. Any items not picked up by 6:30pm will be stored at owner's expense and risk.

Your items are insured once they are in the possession of the guild. The value of a quilt is determined using the measurement of its longest edge. If the longest edge is:

Less than 40" the quilt will be insured for \$300

40" - 59" the quilt will be insured for \$400

60" - 69" the quilt will be insured for \$500

Equal to or greater than 70" the quilt will be insured for \$600

If your quilt has been appraised for a higher dollar amount, the guild will insure it for the appraised value. You must bring a copy of the appraisal with you when you drop off your quilt.

All items (quilts and others) MUST have this identification label FIRMLY SEWN on. For a quilt, sew it to the back in the bottom right corner (as you look at the back of the quilt). For other items, you choose the place but make sure it is obvious to the committee.
