

Scrappy Bricks and Blocks Quilt

Included in your kit:

White / neutral fabric for squares: 26"
Print fabrics for bricks:
strips 8.5" wide & assorted pieces
Binding: 14"
Backing: 61"
Batting: 61"

This quilt is composed 7" x 3" rectangles and 3" squares assembled in rows. Finished quilt size: 40" by 57".

General instructions:

1. Review all information provided with the kit. Before beginning, match the fabric pieces included with the kit instructions.
2. Quilts need to be machine quilted or hand quilted. Quilting can be plain in-the-ditch or as elaborate as you wish to quilt it. Tied quilts do not have the durability for multiple washings, and we ask you not to secure your quilt by that method.
3. If you need assistance in order to complete the quilt, please contact one of the committee members. This program strives to accomplish two goals: It helps us provide quilts to the many worthwhile groups/agencies we serve, and we aim to assist novice quilters to learn basic quilting skills in the process.
4. Remember, a ¼" seam allowance is used for all seams.

Cutting:

- From white/neutral fabric, cut seven 3.5" strips by width of fabric. Sub-cut these strips into 76 3.5" squares.
- From print fabrics, cut strips 7.5" by width of fabric. Sub-cut each strip into 3.5" by 7.5" rectangles. You will need 76.
- If you received some smaller pieces of fabric in your kit, cut these into 3.5" by 7.5" rectangles.
- Sew one white/neutral square to each print rectangle, stitching along the short side.

Assemble Rows:

Sew 4 rectangle/square units end to end, sewing along short side, to make a 40.5" by 3.5" strip. These rows will alternate square, rectangle, square, rectangle ... and will consist of 8 pieces total, 4 squares and 4 rectangles.

Continue until you have 19 of these strips. When you are getting close to being done with the strips, take a look to see which fabrics are left. You may want to arrange these before sewing the last 4-5 strips to avoid having the same fabric in one row.

Lay out your strips, as shown in the photo, alternating between a square and a rectangle beginning each row (just flip the strips over to alternate the pieces). Sew the 19 strips together.

Prepare backing, sandwich with batting, quilt as desired.

Bind the quilt using the enclosed directions.

Attach the enclosed label.

Thank you very much for contributing your time and effort
to the Piecemakers' Comfort Quilt Program!
